WHAT IS IDENTITY-ZONE

The Bible is clear that you as a woman were made in the IMAGE of God. It is also clear that when you received the free gift of salvation by grace through faith, you became a new creation IN-Christ.

Unfortunately many Christian women are suffering from "Identity Sickness" ...still clinging to their old identities that once were formed by the changing tides of culture, and by various relationship encounters (*Identity Defining Moments*).

Women are living in bondage to these past "*Identity Defining Moments*" that influence their daily decisions and life choices. These choices can downgrade one's identity as someone other than a woman who is one with Christ!

IdentityZONE is a discipleship ministry that equips women to embrace their true identity IN-Christ, while being coached on how to avoid the temptation of manufacturing false identities acceptable to the world and to others .

ID-ZONE helps set women free from living a life trying to manufacture themselves into a culturally acceptable woman, mother, Christian, and/or worker.

Now is the time to be who God created you to be...a child of the King of Kings, not one who craves to be identified with temporary images, idols or icons. Christ has set you apart from the World and He has set you free to be exactly who you are IN-Christ!

*Do not lie to each other,
since you have taken off
your old self with its
practices and have put
on the new self, which is
being renewed in
knowledge in the image
of its Creator.*
